Chairman's report :-Good evening and welcome.

Firstly my thanks go to all of you for your commitment and attendance at all our meetings. Thanks Steve for being the anchor man throughout the year and especially making it to the meeting this evening after your recent surgery!

Big thanks to Jacqui who continually keeps us on the straight and narrow and goes above and beyond to ensure the smooth running of the Council.

As always, we have had the usual issues of dog fouling, car parking at school drop off and pick up times and going forward hope that there might be improvements at least with the dog fouling.

The play area is still a well used area and although we have had some equipment which has come to the end of it's serviceable life the majority has shown from the Rospa inspections to be safe to use.

Planning applications although few, have been dealt with promptly and with relevant comments.

The precept has been kept the same even though we have had cost increases in all areas.

As for the Pleasure Ground, I feel that we have made more progress in the last year than previous years and hope that we will be able to resolve the issue before another AGM!

First aid evenings have been well attended and I feel that this is something that should be continued especially with the over-stretched NHS.

Lastly, I thank you for your support as Chairman and if you wish me to continue, I am happy to stand for election.
