Part 1 Public

Other attendees: A Paynter joined the meeting at 19:06 and left at 19:38

Councillor Adam Paynter joined the meeting and provided several updates relating to North Cornwall. Councillor Paynter dispel rumours regarding the housing development on the A388 to Callington (development on the right-hand side as you leave the roundabout after Tesco's) assuring Egloskerry Parish Council that this development is for Cornish residents only. There is a mix of social, affordable and share agreement homes available. A grant, from Housing England, supported this development.

Minutes of Previous Meeting: The minutes from 14 May 2026 were received and unanimously approved as a correct record. The minutes were duly signed by the Chairman.

Action: The clerk will publish on the Parish Website.

Matters arising from minutes

Milestone at Trgeare: No further action is required.

Village Hall Car Park: A verbal update was received regarding the ongoing discussions with the Church regarding ownership. As a service user of the village hall the parish council will receive a further update in the September meeting.

Road Closures effecting the village: A response has been received from Cornwall Highways advising that the work remains on the resurfacing work schedule for 2026/27. It is anticipated the work will take place in November /December 2026.

Parking concerns on main road through village: Concerns and complaints have been received from parishioners with respect to cars parking on the bend in the village by the church. Cornwall Highways will consider double yellow lines for the area in their 2027/28 work programme. The Parish Council have been requested to complete an Expression of Interest (EOI) to support a resolution for the Community Area Partnership.

Speed survey: A speed monitor report was received from Cornwall Highways for the period 17 to 24 June 2026. The monitoring period showed a good level of compliance. The results would suggest that there is speeding taking place and Cornwall Highways will share this information with the Police for potential future enforcement at this location.

Action: The clerk will publish the speed monitoring report on the Parish Website.

Emergency Planning: This is not a statutory requirement, and many small, local parish councils have a resilience plan that sets out how the community may be able to offer support to professional emergency services in an emergency.

Action: The Clerk will investigate further and make recommendations to the Parish Council as part of the quarter 4 parish clerk work plan for 2026/27.

Playground Report: The annual play safety report was received and accepted. A concern over the height of a newly installed swing was raised.

Action: The clerk will contact the construction company and request a site visit to resolve.

Finance Report: The bank reconciliation was received and councillors approved payments. Table 1 provides a copy of the reconciliation as at 9 July 2026.
